Impegnata da sempre nel produrre e diffondere i valori del Made in Italy, Alna propone da più di 30 anni accessori e complementi per il bagno pieni di personalità e affidabilità, sicuri e rispettosi dell'ambiente.

Esperienza, alta professionalità, attenzione ai particolari sono alla base dell'imprinting aziendale di Alna che propone oggetti raffinati e user friendly dal dna puramente italiano, inalterabili come i materiali utilizzati: ottone cromato, acciaio inox, alluminio, ceramica e vetro.

Linee passe-partout, versatili, dalle forme essenziali ma anche eleganti e rigorose che si inseriscono con semplicità formale e immediatezza d'uso in qualsiasi contesto, garantendo comfort, sicurezza e design a oggetti e gesti quotidiani, in grado di soddisfare anche le esigenze alla grande struttura alberghiera e del contract secondo i processi produttivi e gli elevati standard e qualitativi.

Always committed with producing and spreading the values of the Made in Italy philosophy, Alna offers for more than 30 years, bathroom accessories and complements full of personality and reliability that are safe and environmentally-friendly.

Experience, high professionalism, attention to details are at the base of Alna's corporate imprinting that proposes refined and user-friendly objects with a pure Italian Dna, unalterable such as the materials used: chromed brass, stainless steel, aluminium, ceramic and glass.

Passe-partout lines, with essential but elegant and strict shapes that fits with formal simplicity and immediacy of use in every contest, guaranteeing comfort, safety and design to objects and daily gestures, able to satisfy also the needs of Hotel Facilities and Contract through the production process and elevated quality standards.
